

Mark Johnson, Ph.D., J.D.

Expert speaker on **benefits & pensions**

Dr. Johnson founded ERISA Benefits Consulting after a successful corporate career with American Airlines and Southwestern Bell. His expertise includes managing over \$14 billion in pension fund assets, and benefits negotiations with leading labor unions.

TOPICS: Pension plans, employee retirement programs, benefits and retiree medical plans

AUDIENCE: Corporate executives, union officials, HR professionals, associations and others

Presentations:

- ◆ The four pillars of retirement income security
- ◆ Employer provided health plans
- ◆ Pension plan design: What's right for your organization?
- ◆ Making the most of retiree medical coverage
- ◆ Retirement planning: How much is enough?

Dr. Johnson can also customize a presentation to your audience.

Mark Johnson, Ph.D., J.D.
Speaker, Educator, Executive

Adjunct Professor,
Tarrant County College, Texas

- Keynote speeches and other venues

Testimonials

◆ When discussing employee pension and benefit plans at the bargaining table, Mark Johnson's thorough understanding has served the interests of both parties in the often difficult environment of collective bargaining.

- Edward Koziatek, Director,
Air Transport Division (retired)
Transport Workers Union, AFL-CIO

◆ The feedback we received from the physicians who attended the 2004 CME Symposium "How To Increase Your Health & Insurance Plan Reimbursements" was very positive.

- James Krekow, Managing Partner,
MediDigms, L.P.

◆ Mark Johnson is an excellent teacher for the Insurance Adjuster Program ... The program is consistently rated "Excellent."

- William E. Harris, J.D., CPCU
Tarrant County College, Texas
